Smith stated they could rotate. Haden stated they would normally work 5-8's unless they needed to work with the union, then they would work 4-10's. Waits said he had no problem with the 4-10's but wanted the office open 8 hours on Friday. Demry motioned to change the union contract hours from 6:30 A.M. to 5:00 P.M. starting 4/2/18 until 9/21/18. The crews are finishing up brush cutting and will be getting back to normal operations in a couple weeks. FM rock will possibly start being hauled next week. They started normal rock today. Demry asked if the grader has been fixed. Haden said they are waiting to get the technical analysis report. Demry questioned \$4,000 in clothing in the bills. Haden said they have a High Visibility policy that states clothing purchased is county property and must be turned back in. He will send a copy of the policy to the auditor's office. Smith asked if a pothole on Morris corner has been checked. He called the information into the office. Haden stated he had been at a conference but thought someone had gone out. Demry questioned brush cutting on top of the hill on T61 and blocking the road creating a safety concern. Haden said they will address it at the safety meeting on April 2nd. Smith asked who made the mistake on the bridge map. Haden said the map was made from an old CAD file and was mistakenly never taken off after it was fixed.

Appanoose County Board of Supervisors met in special session March 23, 2018 at 1:00 P.M. in the Boardroom of the Courthouse. Present: Mark Waits, Chairman, Neal Smith and Linda Demry, Boardmembers. Absent: None.

Smith motioned to approve the agenda. Seconded by Demry. All voted aye.

Dianna Daly-Husted from ADLM Environmental Health read the current ordinance relating to grease traps. She stated the food application was marked "yes" it was a new business. She stated the intent was for new owners to install a new grease trap.

Justin Zaputil from the County Club stated he asked ADLM which box to check because the application did not apply to their situation. According to how the ordinance reads they are not putting in a new septic and are not a new business so the ordinance does not apply.

Demry, Smith, and Waits all stated they did not believe the way the current ordinance reads it does not apply to the County Club.

Susan Daniels, County Attorney, stated in the plain reading of the ordinance it does not apply and it could be amended in the future to address leases.

Demry motioned to adjourn. Seconded by Smith. All voted aye.

The Board adjourned to meet at the call of the Auditor at 1:14 P.M.

Mitch Cairns
Jail Administrator
Appanoose County Jail

Centerville, IA

Dear Mitch:

It is with regret that I tender my resignation from the Appanoose County Jail, effective two weeks from today.

I would like to thank you for the opportunity I was given to be part of your team. My decision to leave employment with you has been weighing heavily on my mind the past few months. I based my decision on the need to be more flexible for my family's activities and needs and is in no way a reflection of any ill will towards my employment with the Appanoose County jail or yourself.

Sincerely,

Tim Swan
