

RESOLUTION

WHEREAS, the Board of Supervisors is empowered under Section 311.7 of the 1985 Code of Iowa to improve roads with private funds; and

WHEREAS, the Secondary Road Department has received requests for improvement and surfacing on existing secondary roads at considerable cost to the County; and,

WHEREAS, for the above described roads having adequate width and drainage, as determined by the County Engineer, connecting to an existing pavement, and being considered for surfacing the County will adopt the following:

NOW, THEREFORE, BE IT RESOLVED by the Appanoose County Board of Supervisors in session this 17 day of MAY, 1999, that the following be adopted as the County's paving policy in order to reduce Secondary Road expenditures:

1. The County will consider for surfacing of said road with 6" of A.C. Paving at a cost of 75% of the paving and improvement to the owner or group of owners of the land adjacent to, or abutting, upon said road.
2. The County will resurface said road provided that
 - a) Not less than 75% of the owners of the land adjacent to or abutting upon said road agree to the improvements.
 - b) That the owner or group of owners deposit with the Appanoose County Treasurer an amount of not less than 75% of the engineer's estimated cost of the improvement and surfacing of said road or roads.
3. The County Board of Supervisors reserves the right to accept or reject any projects.

PASSED and ADOPTED this 17 day of MAY, 1999.
