corporatio	n (th	e " <u>City</u> "), a	ınd A	PPAN	NOOSE (COUNT	Ύ, Ι	[OWA	(the '	'County'	"),				

RECITALS

- A. The purpose of this Agreement is to permit the County and the City to provide more complete public safety programs for the people of Appanoose County, Iowa, and the City;
- B. In order to accomplish this purpose, the County and the City desire that (i) the County construct a law enforcement center (the "Law Center"), (ii) the County lease a portion of the Law Center to the City for City police operations, and (iii) enter into other agreements regarding the ongoing operation and maintenance of the Law Center pursuant to Chapter 28E, Code of Iowa; and
- C. The Law Center will consist of (i) a main building of at least 22,787 gross square feet, as shown on the conceptual design plans of Rick A Weidner, architect, dated May 18, 2020 and attached as <u>Exhibit A</u> (the "Building"), (ii) associated parking, landscaping, and other site improvements generally shown on <u>Exhibit B</u> (the "Site Improvements"), and (iii) certain real property located on land owned by the County having an address of 22158 Dewey Road, Centerville, Iowa, more particularly described on <u>Exhibit C</u> (the "Property").

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the City and the County agree as follows:

1. <u>CONSTRUCTION OF THE LAW CENTER</u>. If the citizens of the County approve the referendum as it relates to the reassignment of the local option sales tax for the Law Center on September 8, 2020 (the "<u>Referendum</u>"), the County will promptly construct Building and Site Improvements on the Property.

2. LEASE OF THE LAW CENTER TO THE CITY.

a. <u>Definitions and Basic Terms</u>. The following definitions and basic terms are incorporated into and made a part of this Agreement. Capitalized and other terms and phrases have the meanings assigned on the pages of this Agreement.

Commencement Date: The date that the Building and Site Improvements are

substantially completed by the County and able to be occupied by the City for all purposes under this Agreement

The City's Address: 312 E. Maple St.

Centerville, IA 52544 Attn: City Administrator

The County's Address: 201 N. 12th St.

Centerville, IA 52544

Attn: County Board of Supervisors

Premises: Exclusive use of the portions of Building described on the

Exhibit D and generally shown on Exhibit A (the "Exclusive Space"); and the non-exclusive use of (i) the shared spaces of the Building described on Exhibit D, and generally shown on Exhibit A (the "Shared Space"), (ii) the Site Improvements,

and (iii) the Property.

Term: The term of the City's lease of the Premises is perpetual and

shall be effective as of the Effective Date.

Permitted Use: Law enforcement purposes.

Rent: The rent is based on the actual costs of the County to construct

the Premises divided by 19 and is based on the estimate and methodology set forth on Exhibit D; the Rent is currently anticipated to be \$62,388 per year and shall be paid in 19 equal annual payments starting on the Commencement Date.

The City's Share: The City's Share is 23% but is subject to reassessment if total

square footage is adjusted. The City's Share is a percentage equal to (i) the total square footage of the Exclusive Space, plus 50% of the total square footage of the Shared Space, divided by (ii) the total square footage of the Building. Based on the current design of the Building as set forth on Exhibit $\underline{\mathbf{A}}$ and the breakdown of the square footage of the Premises set forth in Exhibit $\underline{\mathbf{D}}$, the City's Share would be 22.81%, rounded up to 23% [(i) (1,353 s.f. of Exclusive Space + 50% x 7,691 s.f. of Shared Space) \div (ii) 22,787 total s.f. of the

Building].

b. <u>Lease</u>. Subject to the terms of this Agreement, the County leases to the City, and the City leases from the County, the Premises.

- i. Generally. The County shall maintain in the County's name and pay for all charges for electricity, water, gas, telephone service, garbage, internet, sewage service and other utilities furnished to the Premises, including all tap fees and similar assessments made in connecting the Premises to such utilities (the "<u>Utilities</u>"), and shall pay any service and maintenance charges for the Utilities (the "<u>Utility Charges</u>"). The County shall, at all times, fully and adequately heat and/or air-condition the Building.
- ii. Reimbursement by the City. On or before the date that is 30 days after presentation of an invoice (this invoice may be submitted via e-mail or other electronic communication) with reasonable back-up detail to the City at the City's Address, the City shall reimburse the County the City's Share of the Utility Charges.

If the Building is damaged by fire or other casualty (a "<u>Casualty</u>"), the County shall, within 60 days after such Casualty, deliver to the City a good faith estimate of the time needed to repair the damage caused by such Casualty. The County shall within a reasonable time (but not more than six months) after such Casualty, begin to repair the Building, thereafter diligently proceed with such repair, and restore the Building to substantially the same condition that existed immediately before such Casualty.

DEFAULT AND REMEDIES.

- a. Notice of Default.
 - i. Written notice shall be provided to the defaulting party specifying the default and giving the defaulting party 15 days in which to correct the default. Notice shall be personally served upon and mailed to said party.
- b. <u>Events of Default.</u> Each of the following occurrences shall constitute an "<u>Event of</u> Default":

- i. Generally. Upon any Event of Default and except as otherwise provided in this Agreement, the non-defaulting party may exercise all rights and remedies afforded such party hereunder or by law or equity.
- ii. Delinquent Payments; Handling Charges. All payments required of a party hereunder shall bear interest from the date due until paid at 8% per annum; provided, however, no such interest shall be payable if the past due payment is paid in full not later than five days after the date due.

- iii. Self-Performance. In addition, the non-defaulting party may perform the defaulting party's obligations. In such case, the defaulting party shall reimburse the non-defaulting party promptly upon request, together with reasonable supporting documentation, for the actual cost and expense that the non-defaulting party incurs in effecting compliance with this Agreement on the defaulting party's behalf, plus interest thereon at 8% per annum from the date the non-defaulting party incurs the expense in question until the non-defaulting party is reimbursed.
- iv. Waiver of Consequential Damages. The liability of a party for its default under the terms of this Agreement shall be limited to the non-defaulting party's actual direct, but not consequential, damages therefor.
- v. Termination. If the City has not remedied a default in a timely manner following proper notice, the County may terminate this Agreement. In the event of termination, the County shall be entitled to prove claim for and obtain judgment against the City for any outstanding financial obligations, and for attorney's fees and court costs related to any such action. RE: Completed FY 2020 Cost Allocation Plan

Dear Board Members:

We have completed the **Appanoose County** cost allocation plan based on actual expenditures for the year ended June 30, 2020. One bound copy of the plan is enclosed for your files. Additional copies of the plan are being provided to the County Auditor. Also enclosed herein is a standard federal Certification Statement that is required where reimbursement is claimed from federal grant programs. The statement says that to the best of the County's knowledge, the cost allocation plan is correct and was prepared in accordance with the federal cost principles contained in 2 CFR Part 200. Please have the Board Chairperson sign the statement, retain a copy on file and return the original to me. A copy of the plan will also be placed on file at the central office of the lowa Department of Human Services (DHS).

The FY 2020 cost allocation plan will result in the following indirect cost recoveries during FY 2022:

DHS Local Administrative Expenses

This category relates to the indirect costs that the county incurs for the local DHS office. These indirect costs include expense items such as audit fees, liability and property insurance, building space costs, accounting services and legal services. The total indirect costs to be claimed on quarterly Local Administrative Expense (LAE) reports for FY 2022 is \$80,784. This amount includes the required carry-forward adjustment to reconcile actual and projected costs for FY 2020 and is shown on Exhibit B near the beginning of the cost allocation plan. We estimate that about 33 percent of the total claims for the year will be reimbursed to the County from federal funds. Accordingly,

Board of Supervisors October 1, 2020 Page – 2

the total reimbursement for the year should be about \$26,659. We will track these payments each quarter and report the actual results to you after the close of the year. A copy of our correspondence to the local office of DHS which provides guidance for claiming these costs on the LAE reports is also enclosed herein for your reference.

Please contact me if you have any questions relating to the cost allocation plan. We are pleased for the confidence that you have placed in us and look forward to being of continuing service to you.

Sincerely,

CERTIFICATE OF COST ALLOCATION PLAN

This is to certify that I have reviewed the cost allocation plan submitted herewith and to the best of my knowledge and belief:

- (1) All costs included in this proposal based on the Fiscal Year ended June 30, 2020, to establish cost allocations or billings for use in FY 2022, are allowable in accordance with the requirements of 2 CFR 200 "Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", and the Federal award(s) to which they apply. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.
- (2) All costs included in this proposal are properly allocable to Federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the Federal awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.

I declare that the foregoing is true and correct.
