ATTEST: /s/Kelly Howard, Appanoose County Auditor

There was discussion regarding replacing the Mormon Trail signs. It was proposed tourism pay the hardware costs and Secondary Roads cover the labor. No action was taken.

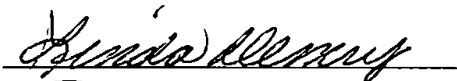

County Engineer, Brad Skinner, provided an update to the board. They continue to monitor 160th St following its seal coat last year. They've had to apply rock chips four times now due to bleeding. With the steel delivery the 150th St Bridge will start this week. They are waiting for the railcars to be delivered for the bridge on 550th. The bridge on 110th St will start July 6th. They will be working on reshaping the roads around the quarries. They have been working with Hall Engineering on proposed subdivision access. McGill asked if the mowers were currently running. Skinner stated only 2 are currently operational and the other are broken down. Two are expected to be replaced this next fiscal year.

Public Comments: Tim Glenn, Mark Haines and Rod Joiner expressed their concerns about the reshaping, size of rock, and the current maintenance schedule on 115th and 112th Streets (around the quarry). Skinner will work to address their concerns.

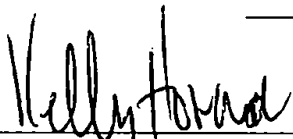

McGill motioned to adjourn. Seconded by Kulmatycki. All voted aye.

The Board adjourned to meet at the call of the Auditor at 9:34 A.M.
