County Engineer, Brad Skinner, provided an update to the board. With the snow/ice event this weekend, J18, J3T and T61 were hit hardest. There are a handful of gravel roads that are still left to be done. They will be putting in for a FEMA declaration for the 500 signs knocked down during the December windstorm. They've been notified dump trucks will be built in limited numbers and will be switching priorities and rebuilding. They've been alternating the duties of road foreman until Roger starts. Demry asked about the new mower. They traded in their old mower and it's for the shop in town and outlying shops. McGill asked about a truck purchased from the state with a rear-end out. It was rebuilt last summer but it didn't take and they are waiting on parts. McGill asked if the equipment held up during snow removal. Skinner stated a cylinder went out on a grader.

Stephanie Koch, CDC Coordinator, provided an update to the board. The Governing Board will meet the 26th at 11 A.M. in Ottumwa (zoom is available). The Adult Advisory will meet February 3rd at 1 P.M. and Child Advisory February 3rd at 2 P.M. (zoom is available). She has been educating concerned citizens about what she can and can't do with adults in the community. Community Health Centers of Southern Iowa has changed their name to Infinity Health. They provide the mobile crisis for Appanoose County.

Public Comments: Skinner stated there is a shortage of signs and that he has called around to other counties. Monroe County is providing some and will be replaced when our order comes in.

McGill motioned to adjourn. Seconded by Kulmatycki. All voted aye.

The Board adjourned to meet at the call of the Auditor at 9:27 A.M.

**WELLNESS PROGRAM AGREEMENT
BETWEEN THE IOWA STATE ASSOCIATION OF COUNTIES
AND PARTICIPATING COUNTY**

BACKGROUND

ISAC has demonstrated support for wellness programming for many years by providing financial resources to counties to be used on wellness programming. ISAC is dedicated to providing members every opportunity to become healthier, and to creating a culture of health and wellness in all counties participating in the ISAC Group Health Program. This is why ISAC is offering counties the opportunity to participate in a more robust wellness program, along with the assistance of a health management consultant and incentive program to help them achieve their goals. ISAC is determined to address rising health care costs through effective wellness programming to encourage healthy behavior changes in the employee population.

WORKSITE WELLNESS PLAN

The ISAC enhanced wellness program will include comprehensive consulting services and biometric screenings as well as an incentive program to both counties and policy holders during the plan year of 2022.

POPULATION TO BE SERVICED

The ISAC Wellness Program is only available to member employees. Comprehensive consulting may assist county wellness committees in planning and implementing additional programs that can be available to all employees. The \$200 incentive is available to current county employees who are in the ISAC group health plan.

ISAC WILL PROVIDE THE FOLLOWING:

- A dedicated Health Management Consultant to assist in assessment, planning, implementation and evaluation of wellness initiatives.
- Lifestyle management tools to help members better manage their health, including nutrition planning, fitness planner, online behavior change programs, and more.
- An approved 8 Pillars of Wellness List. The county can request to use other topics and presenters for the "County Sponsored Event" but these requests are subject to approval from ISAC.
- A \$200 incentive that will be offered for those qualifying employees who have completed a wellness assessment (\$25), completion of a physical or preventative exam (\$75 Reimbursed through the ISAC Accident Plan), and completion of 4 different wellness pillars (\$25 each). ISAC will reimburse the county up to the \$125 + the employers FICA tax.
- A rate discount to any county that meets the criteria listed under "Participating County" and documents their achievement.

FEES

ISAC is assuming all fees associated with the wellness program enhancements, which includes comprehensive consulting and online lifestyle management programs through Mercy Health Network. Participating counties will have no financial obligations associated with this program. Each participating county will continue to receive \$30 per contract per year to use toward approved wellness programs and speakers. Counties are encouraged to offer additional incentives to participants to increase engagement.

PARTICIPATING COUNTIES MUST:

- Form a wellness committee (volunteer or appointed), if one is not already established, that will meet at least four times per calendar year to plan and implement wellness programming. The Health Management Consultant will provide each county with the tools and materials needed to promote these programs.
- Include at least one Supervisor on the committee to support the wellness initiative by holding an active role in the wellness committee and encouraging employees time to participate in wellness programs. County leaders are also encouraged to be an example to employees by participating in programs themselves.
- Encourage employees to complete a physical and or preventative exam with a physician who can fill out a fax form. And complete their online assessment. Doing these two things will earn the county the wellness discount on their premiums.
- Encourage employees to participate in the ISAC Wellness Program Pillars to receive their full \$200.

COLLABORATION

ISAC is committed to creating a culture of health and wellness at all ISAC counties. ISAC will work with the counties to identify and address its employee health risks through the proposed engagement. We look forward to collaborating with you to promote wellness programs, and welcome any information that you can provide to help us better understand and meet your wellness needs.

2022 ISAC WELLNESS AGREEMENT

Iowa State Association of Counties and the participating county have caused this agreement to be executed January 1st – October 31st, 2022. The undersigned hereby consent to render services accordingly.

_____ County elects to participate in the 2022 ISAC Wellness Program, as detailed above.

_____ County elects NOT to participate in the 2022 ISAC Wellness Program; understanding that the county will no longer receive the benefits associated with the program.

Dear Gary and Mitch,

Please accept this letter as notice of my resignation from my position as a Jailer/Correctional Officer. My last day of employment will be 02/09/2022.

I have received a job offer at Four Oaks in Cedar Rapids to work with juvenile criminals and to simultaneously further my education. After careful consideration, I've come to the conclusion that I'm unable to pass up this wonderful opportunity to better myself.

I want to personally thank both of you for the last two years and for pushing me to be the best jailer and person that I could be. I have definitely learned a lot about law enforcement and myself while working here and plan to use my acquired skill set at my future places of employment.

Thank you again for everything you both have done for me and for giving me a chance as I really loved this job and everyone I worked with. I wish you both and the rest of the department the best and look forward to staying in touch with everyone.

Sincerely,

Alexis Valentine
