County Engineer, Brad Skinner provided an update to the board. They are working on the second local bridge replacement. Milling was done last week and should be starting to asphalt today. The State detour for the Highway 5 Bridge goes through Rathbun and Mystic. The bridge was scheduled to close today. With the rain today, maintainers are working on the edge of the shoulders. They've purchased a dump truck from the state. Equipment supply chains continue to be disrupted as they are still waiting on a maintainer and truck. A \$15,000 grant was received to purchase an ATV for spraying. They received a preliminary comment on their annual report that local funding failed to meet the requirement (less than \$1) and will need to be looked at during budget time. McGill asked if they are mowing roadways. Skinner stated due to the dry conditions, they are mowing full time.

Public Comments: none.

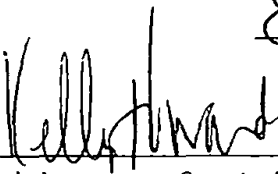

McGill motioned to adjourn. Seconded by Kulmatycki. All voted aye.
