Harvey stated arrangements for Private Harrington will begin Friday 6/6/25 at 10:30 A.M. at Thomas Funeral Home then travel to Cincinnati for graveside services. Attendance is encouraged.

County Engineer, Brad Skinner provided an update to the board. The contractor is working on the Clarkdale bridge deck, which should be completed in July. There was a minor delay with the dust control vendor due to equipment breakdowns. They should have it completed this week. The FM traffic markings on S70 and J5T should be completed today. Denco will be crack filling Northwest of Centerville. There will also be a sand seal applied on the airport road. County crews are mowing, ditching and working on pipe replacements.

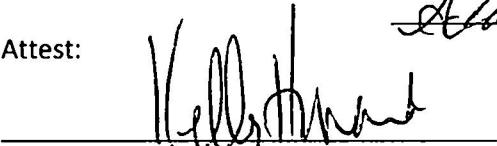

Public Comments: Sheriff Anderson asked Skinner if there was any seal coating around the lake this year. Skinner stated its just 210th and the airport, nothing in the northwest section of the county.

The Board adjourned to meet the call of the Auditor at 9:09 A.M.
